

Prague, Czechia bin colours

Verified 2026-08-09 | wastespot.com/bin-colours/prague/

Use the printed label and local service instruction together with colour. Colours are not globally standardised and collection rules can change by neighbourhood or operator.

Blue - Paper

Paper and cardboard

Scope: Prague public sorting containers

Yellow - Plastic

Plastic packaging; drink cartons may follow local label

Scope: Prague public sorting containers

Green - Coloured glass

Coloured bottles and jars

Scope: Prague public sorting containers

White - Clear glass

Colourless bottles and jars where separate

Scope: Prague public sorting containers

Brown - Biowaste

Accepted plant and food biowaste where service exists

Scope: Prague service-dependent

Black - Mixed waste

Non-recyclable household waste

Scope: Prague municipal system

Before you use this guide - continued

Before you use this guide

1. Confirm the guide applies to your municipality, neighbourhood or operator.
2. Read the label on the actual container or bag.
3. Keep batteries, electronics, chemicals and special waste out of ordinary household streams.
